Video Recording

We will be recording the speaker and stop the recording at the start of the Q&A session

Speakers

Till Langen ([LinkedIn](#) | [GitHub](#)) from [Deutsche Telekom](#)

Since 2020, Till is working as a part of the MagentaZuhause app team in Deutsche Telekom. Initially, he has worked with Thread and then with Matter. After working on a proof of concept for the integration in the MagentaZuhause architecture, he realized that an abstraction from Matter to Web of Things would make the solution more resource efficient and lightweight.
