You create a W3C account and go to our homepage at
https://www.w3.org/community/wot/

JOIN OR LEAVE THIS GROUP

Video Recording

We will be recording the speaker and stop the recording at the start of the Q&A session
Speaker

Thomas Jäckle ([LinkedIn](#) | [GitHub](#)) from [beyonnex.io](#)

Thomas is a Software Engineer, currently working at [beyonnex.io](#) to build up the "IoT Foundation" used for different use cases in the real estate domain, connecting different devices with the help of digital twins and [Eclipse Ditto](#).

Formerly he was at Bosch to create a part of the Bosch IoT Suite. This part, concerning digital twins, was brought to the Eclipse IoT working group as "Eclipse Ditto" project which Thomas is still the project lead and main committer for.

In his former role at Bosch he also participated in discussions at the WoT working group, especially around the topic of Thing Models.

When asking questions, please briefly introduce yourself

Presentation and Question Session

W3C Web of Things (WoT) CG - Online Meetup 19

Using WoT Thing Models as a basis to make to housing sector smart and energy-efficient

Stay in Touch
